- Correction of answers for item nos. 3 through 10, pp. 47-51, in the Academic Integrity section of the final report.
- Clarification of authority of head coaches regarding travel expenses.

After Committee members completed their discussion of changes to the final report document, Dr. Abele distributed the checklist of items required by the Peer Review Team upon their visit. Mr. Hart stated that Room 2108 in UC-D would be reserved for the Team’s use. Dr. Harrison interjected that all materials must be properly labeled and in appropriate containers to facilitate Team members’ access to the hard-copy documents and publications they will review when visiting in September.
The final draft of the self-study will be made available to the Athletics Committee for review and endorsement.

There being no further business, the meeting adjourned at 11:15 a.m.
